**THIS FORM WILL INTERACT WITH YOUR COMPUTER**

If a claim has been made against you for an unlawful or unauthorized commercial exhibition of television programming, unlawful downloading, or for the unauthorized receipt or decoding of television programs (such as "IKS", as to Echostar or Nagrastar; unauthorized decoders as to a cable company; access card tampering or unauthorized display of programming as to Directv; or the unlawful downloading of music or movies), I am available to assist you in analyzing your situation, advising you as to your best course consistent with federal law, and settling the claim on your behalf (if that is advised). Based upon my experience with hundreds of electronic piracy claims, I will negotiate the best settlement possible, prior to the filing of a Complaint against you as a named defendant in federal court.

My fee is \$399 per 2 hours of professional time, or part thereof. It is extremely rare that extra professional time is necessary.

In the event I elect not to advise you, my sole obligation will be to refund my \$399.00 fee to you.

Please complete the following form and mail or overnight to my office together with your check or money order payable to "Gary Ruff" or enter your credit card information. If you elect to use a credit card, you can email this form to [garyruff@gmail.com](mailto:garyruff@gmail.com) or fax it to 631.210.7059

We respect your privacy. Client information is never released to anyone.
