If you have received a "demand letter" or a claim has been made against you for the unauthorized commercial exhibition of video programming; the unauthorized decoding of television programs including those of both Nagrastar and Directv; or the use of pirated computer applications or programs, I can help you.

I will assist you in analyzing your situation and I will advise you as to your best course. If settlement is recommended, I will negotiate the best settlement possible for you.

My flat fee is \$299*

*Settlements involving the unauthorized commercial exhibition of a one-time "pay per view" event, such as a boxing match or other sports event or the unauthorized use of computer programs or applications can result in a higher fee.
