THIS IS NOT AN OFFER OF LEGAL REPRESENTATION
INSTEAD; IT IS AN OFFER OF LEGAL ADVICE

THIS FORM WILL INTERACT WITH YOUR COMPUTER

If you have a claim against you for an unlawful or unauthorized exhibition of television programming, unlawful downloading, or for the unauthorized receipt or decoding of television programs (such as "IKS", as to Echostar; unauthorized decoders as to a cable company; access card tampering as to Directv; or the unlawful downloading of music or movies), I am available to assist you in analyzing your situation and advising you as to your best course consistent with federal law. I will not, however, be your legal representative, except to represent you as to settlement (if that is advised), prior to the filing of a Complaint against you as a named defendant in federal court.

My fee is \$299 per 1.5 hours of professional time, or part thereof. It is very rare that extra time is necessary.

In the event I elect not to advise you, my sole obligation will be to refund my \$299.00 fee to you.

Please complete the following form and mail or overnight to my office together with your check or money order payable to "Gary Ruff" or enter your credit card information. If you elect to use a credit card, you can email this form to garyruff@gmail.com or fax it to 631.389.2800.

We respect your privacy. Client information is never released to anyone.
